

MAINTENANCE SERVICES •

At Advanced E-Learning Solutions we provide flexible maintenance hour packages. Maintenance hours are used to help create, improve and maintain your Learning Management System and its components, Registration System, Support Systems, E-Learning Sites and the overall experience that your users have without costing you additional money beyond your E-Learning budget.

Technical and Hosting Maintenance and Non-Technical and Portal Maintenance Hours are unique and are designed to be flexible. At aelearn clients can use their maintenance hours to address many different needs, such as:

- ⇒ Registration process changes and updates
- ⇒ Course conversion and migrations from LMS to LMS
- ⇒ Learning Portals and Learner Validation Portals (integration scripts)
- ⇒ Branding changes to any Learning system
- ⇒ Client requested Support Center system updates
- ⇒ Knowledgebase articles for user help
- ⇒ Advanced administration troubleshooting
- ⇒ Course maintenance and course component troubleshooting
- ⇒ Facilitator Support
- ⇒ Technical research and consulting
- ⇒ Systems Analysis
- ⇒ Custom Report generation
- ⇒ Automation services to convert content
- ⇒ Multimedia development
- ⇒ Surveys and Evaluations
- ⇒ And more...
